INTRODUCTION

This volume of Scientific Publications List contains citations of 44 scientific articles published by scientists associated with the U.S. Naval Medical Research Unit No.3, Cairo, Egypt. These citations are listed by reprint number and cross-indexed by subject and author.

This publication may be released to the general public. Its distribution is unlimited. Additional copies of the Scientific Publications List and the listed reprints may be obtained from Research Publication Division, U.S. Naval Medical Research Unit No.3, Fleet Post Office, New York, N.Y. 09527.

The listed reprints may also be obtained from the Defense Documentation Center (DDC), Cameron Station, Bldg. 5, 5010 Duke Street, Alexandria, Virginia 22314.
